

WCMA PARTNERSHIP & SPONSORSHIP OPPORTUNITIES

2022 MEDIA KIT

ABOUT THE WCMA

The Wood Component Manufacturers Association (WCMA) represents manufacturers of dimension and wood component products who can supply any component needed for cabinetry, furniture, architectural millwork, closets, flooring, staircases, building materials, and decorative/specialty wood products made from hardwoods, softwoods, and a variety of engineered wood materials. WCMA member companies are located throughout the United States and Canada.

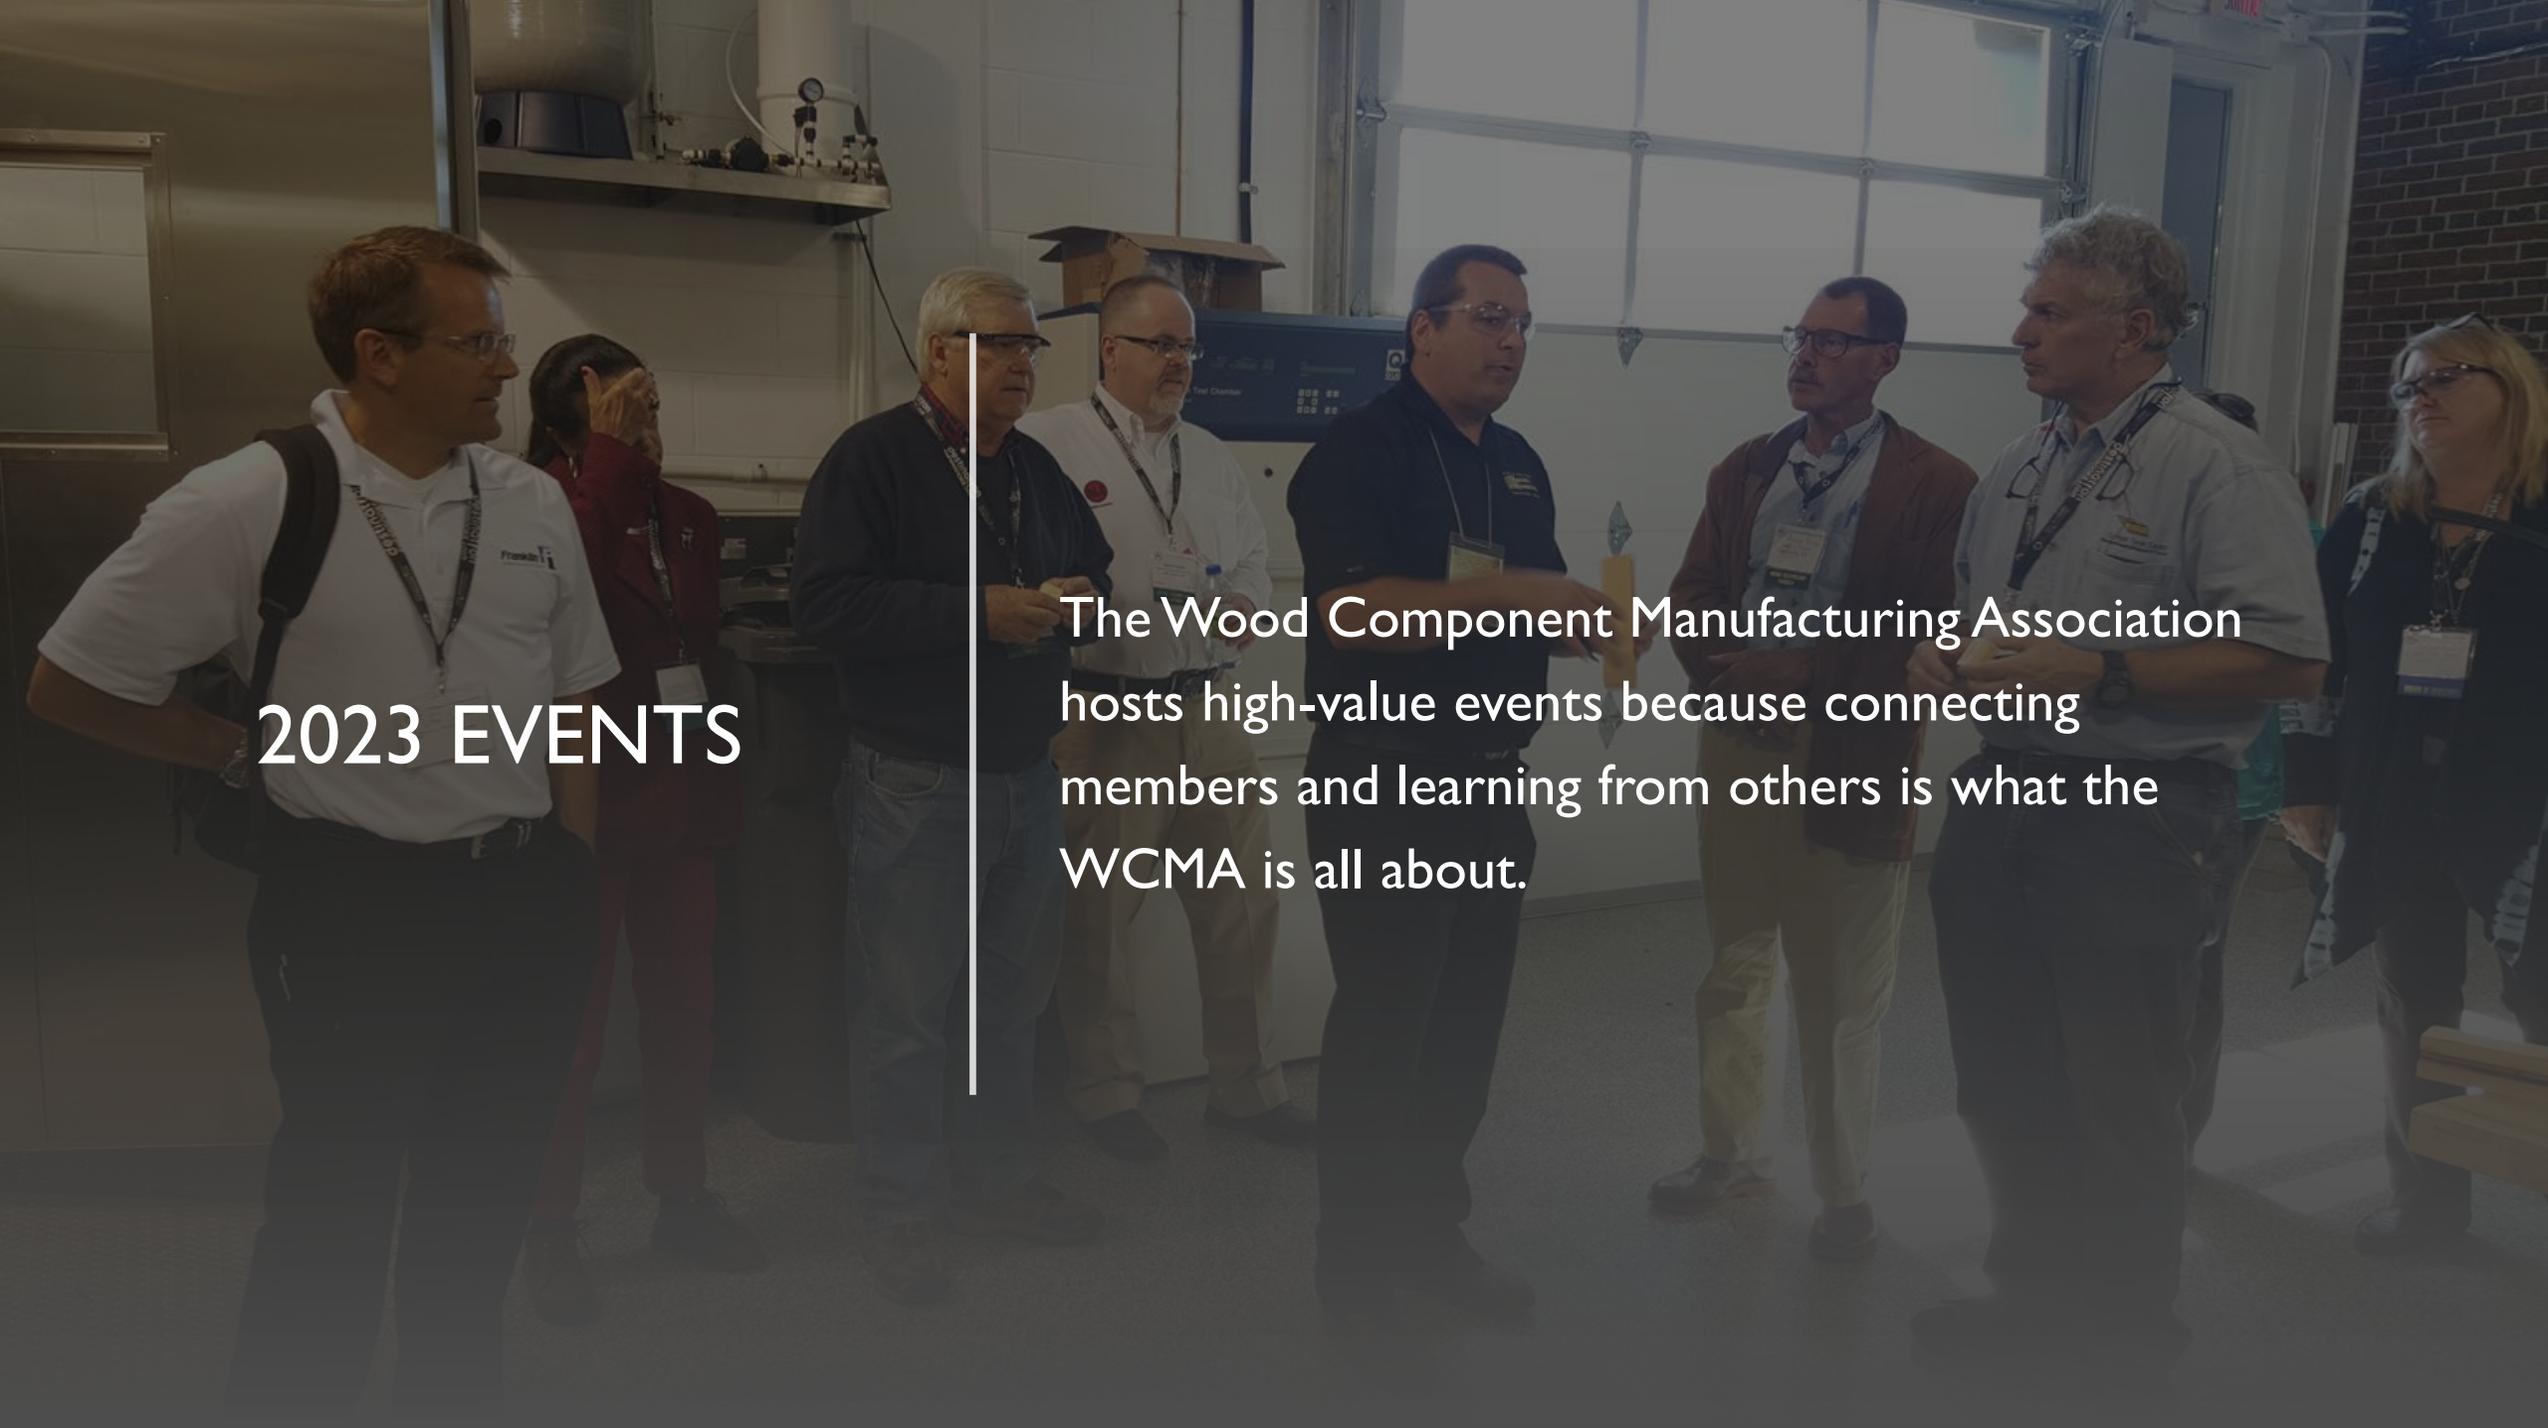

We believe that collaboration, not competition, is the best way to improve our individual companies, as well as the industry as a whole.

TECHNOLOGY PARTNER MEMBERSHIP INCLUDES:

- Participation at the WCMA Fall Conference & Plant Tour event, including plant tours
- Opportunity to advertise in monthly WCMA E-Newsletters
- Listing and description in the “Technology Partners” section of the *Wood Components Buyer’s Guide*.
- Opportunity to place your company advertisement in the *Buyer’s Guide*
- Listing & description in the “Tech Partner” section of the WCMA website
- Receive all newsletters and updates on WCMA activities
- Publishing of your press releases

2023 EVENTS

The Wood Component Manufacturing Association hosts high-value events because connecting members and learning from others is what the WCMA is all about.

2023 FALL CONFERENCE AND PLANT TOUR EVENT

September 2023
Akron, OH

The WCMA holds an annual Fall Conference and Plant Tour event to connect members throughout North America and Canada. In 2023, the event will be held in the Akron, Ohio area.

The event gives Tech Partners an unrivaled opportunity to connect with key decision makers from the manufacturing industry who use your products and services and are eager to learn what is new.

FALL CONFERENCE SPONSORSHIP OPPORTUNITIES

Keynote Speaker Sponsorship - \$6,000

Exclusive Opportunity! Sponsor our dynamic keynote speaker and be responsible for bringing inspiration and excitement to this captive audience. The WCMA's Education and Programs committee has identified a number of potential speakers, all of which will increase attendance, build excitement, and inspire attendees. Sponsoring this event includes the ability for your company representative to briefly address attendees (10 minutes) and introduce the keynote speaker.

Wood Technology Reception - \$4,000

Sponsors of the Wood Technology Reception will be recognized as attendees enjoy refreshments and network. Get exposure early: signage at the reception will include your company logo, and you will have the opportunity to display information about your company in a PowerPoint slide show that will display during the reception (no audio). You may also supply napkins featuring your company logo.

Plant Tour Transportation Sponsorship - \$2,500

Two Opportunities Available! This sponsorship supports the plant tour buses and puts your company name and logo on signage on the bus. The transportation sponsor also has the opportunity to place promotional materials on each seat of the bus.

Lunch Sponsorship - \$1,000

Two Opportunities Available! WCMA social events encourage the sharing of knowledge and networking so vital to the industry. Sponsoring a group meal includes signage at the luncheon.

Sponsorship Benefits

- Company logo on conference website with a link to company website
- Company logo on all printed conference materials
- 50-word company description and company contact information printed in conference materials
- Logo recognition on signage at event
- Enhanced inclusion in sponsor-recognition newsletter
- "Sponsor" recognition ribbon on representative name badges

Additional Opportunities are available, including lanyards, hotel key card holders, pocket program or other items. Please contact the WCMA office to discuss pricing and options.

ADDITIONAL TECH PARTNER BENEFITS

These benefits offer multiple opportunities for Tech Partners to get their important company information in front of WCMA members. We are also eager to share social media posts and press releases from our tech partners. Contact the WCMA office for more information at wcma@wcma.com or 651-332-6332

Wood Processing Resource Center

The WCMA houses a resource center for WCMA members containing information around all areas of wood processing from sawmill to finishing. Tech Partners are invited to share technical articles, videos and training opportunities to be highlighted in the WPRC and in our newsletters.

WCMA Blog

The WCMA publishes a monthly blog and Tech Partners are invited to write a guest blog post containing information about their companies, new technology, or other areas of interest to WCMA members.

Round Table Discussions

The WCMA hosts round table discussions for WCMA members. Tech Partners are invited to host a round table topic around information that WCMA members will find helpful. Previous discussions have included workforce development, machinery maintenance, hardwood supply and demand, and tips & tricks for sanding operations. If you have a topic that you would like to share with WCMA members, please reach out to the WCMA office to set up a time to discuss.

A group of people, including men and women, are gathered in a large industrial facility, likely a factory or workshop. They are looking towards a man in a dark blue shirt who is standing next to a large piece of machinery, possibly a lathe or mill. The man appears to be demonstrating or explaining something about the machine. The background shows various industrial equipment, pipes, and structural elements of the building. The lighting is bright, typical of an indoor industrial space.

ANNUAL SPONSORSHIP PACKAGES

Annual Sponsorship provides you with access to manufacturers, suppliers, and industry professionals throughout the year. Sponsors reach prospective customers through a variety of association vehicles based on their level of participation. All annual sponsors receive ongoing visibility through regular WCMA communications and at meetings and events. Annual sponsorship offers the “most bang for your buck”.

WCMA MONTHLY E-NEWSLETTER ADVERTISING OPPORTUNITIES

Our monthly email newsletter is sent to all members, tech partners, and thousands of potential members. Our loyal readers enjoy this industry update, and our open rate averages 35%

The image shows a screenshot of an email newsletter from the Wood Component Manufacturers Association (WCMA). At the top, there is a logo consisting of several horizontal wooden planks of varying lengths, followed by the text "WOOD COMPONENT MANUFACTURERS ASSOCIATION". Below the logo are five social media icons: Website, Email, Instagram, LinkedIn, and Twitter. The main content of the newsletter is divided into two sections by dark blue headers. The first section is titled "From Our Executive Director" and contains a greeting to WCMA members, an announcement about a new online member portal, details about the 2023 European Plant Tour Event, and a mention of an upcoming trip to Nashville, TN. The second section is titled "WCMA News & Updates" and discusses cyber security resources for members, including a virtual round table and a list of links to secure password tips, internal questions, and favorite cyber security resources.

From Our Executive Director

Greetings WCMA Members,

I'm pleased to announce that WCMA members will soon have a new online member portal to access your accounts and exclusive member resources. We have partnered with Personify to bring members a more streamlined and efficient online experience. All members will receive an email with instructions and login credentials soon.

Details and registration for the 2023 European Plant Tour Event will be announced soon. This June 12-16 event takes us to Northern Italy for several plant tours that will not disappoint. Save the dates and plan on joining us!

I will be traveling to Nashville, TN for the HMA National Conference & Expo on March 22-24. For those of you attending HMA, I encourage you to stop by the Real American Hardwood Coalition booth and say hello. It's always a pleasure seeing you.

Best Regards,
Amy K Snell, CAE
Executive Director
Wood Component Manufacturers Association

WCMA News & Updates

Cyber Security Resources for WCMA Members – Hackers are making news in the wood industry these days with Wood Mode and Stiles being two major industry players reporting shut-downs due to cyber security issues. As a reminder, the WCMA hosted a Virtual Round Table focused on this topic and the recorded version can be viewed [here](#). In addition, the following materials outline basic practices that can help safeguard your company against cyber threats:

- [Secure Password Tips](#)
- [Questions to Ask Internally](#)
- [Our Favorite Cyber Security Resources](#)
